Cambois Primary School

Monday 27th February 2017

Welcome back to another exciting half term. We are half way through the academic year already. Please keep updated by following us on Facebook and reading these letters so you know what is going on.

Green challenge

Let us see what we can do to get all children on the green trip this half term. Remember if you are not reading with your child then you are letting them down. This half term trip is laser tag which will come to the school field and a bouncy castle. We only had 6 children who did not get green last half term so lets go for 100% hitting target this time.

World Book Day

This Thursday it is World Book Day rather than dressing up we want to celebrate the art of reading and how we teach reading and writing in school. We are asking the children to come to school dressed in their pyjamas to share bedtime stories throughout the day and we invite you in from 9 - 9.30am to take part in one of our talk4writing lessons. From 9.30 Mrs Richardson will be leading a reading at home workshop to support you with how to help your child at home.

We look forward to seeing you there. We will be having a small book sale with top quality brand new books available for £2 per book.

Dates for the Diary

Our final pupil of the week for last half term was **Lacey Hall**. This was for her super talk for writing work (telling the story of the smartest giant in town), her great attitude to learning and great topic work making a spacesuit for a teddy bear. Well done!

Football tournament

Hirst Welfare

Thursday 2nd March

10 children from year 5 & 6 will be going to take part in the football tournament this Thursday during the afternoon. They will have an early lunch and be back in time for the end of the school day. We have enjoyed going and competing at different sporting events over the past few months. The fact we have our own bus now is meaning we are really getting to go and compete at lots of different events which is a great experience for our children.

Letter regarding this to follow.

Wednesday 1st March 9am - Bedlington children's centre (learning together through play) for children aged 0-5.
