# KEY POINTS

## Early Years

Forest school is a Friday afternoon. Please ensure children are wearing clothing that covers their arms and legs.

Children in Early years have been getting to know the school and classroom environments and routines. We have been matching and sorting objects in maths and learning Michael Rosen's 'We're Going on a Bear Hunt' in literacy. A highlight of this month was reciting this story outside.

## Year 1&2

Every alternate Wednesday is forest school. Children need a waterproof coat and shoes that can be kept in school.

Year 1 go swimming every Thursday until the 19/10.

There is a trip booked for the 26/10 to Broxfield farm.

all reading and phonics books to be brought back each Friday and that reading must be recorded (at least 4 times) on boom reader to contribute to children's green time.

## Year 3&4

There was a birthday in Year 3/4 so a man with animals came into school for them. Below are the children with the pictures.

They have loved learning about Invasion and the Anglo-Saxons: how they lived and the impact on Britain. They are also exploring water colours and colour mixing to produce their own paintings.

## Year 5&6

Year 5&6 have been enjoying learning about WW1 in our topic study this term. Alongside learning about The Great War, we have been reading the text, War Horse, in our literacy lessons. We have been exploring new vocabulary from the text and the topic including; alliance, imperialism and propaganda.

As it gets closer to Remembrance Sunday and Armistice Day; I wonder if you can spot and recognise any memorials to people who served in the Wars? Do you recognise any of the dates?

If you have any photos or family links it would be great for you to share them on our Y5/6 SeeSaw account for us to share in class.
